

Sunday School

This year has again seen a number of changes to the way we run Sunday School.

We have created two new groups to incorporate the ages of children we currently have attending Oasis Christian Centre. So we now have the following groups:

Crèche: Age 0 - 3

God's Tots: Pre-school

Power Kids: Reception - Year 5

Liveset: Year 6 - Year 10

Junction: Year 11+

Each group meet weekly, with the exception of Junction, who meet twice a month.

God's Tots work in the smallest space but have some amazing biblical stories taught to them through craft, storytelling and role-play. They too are working through the Bible learning at their own level.

In Power Kids we are still making our huge poster, which you've probably seen (we're on our sixth roll of wallpaper), to emphasise the Bible stories and their order. We are up to David now, looking at how he trusted God and seeing that his struggles were good training for him for when he eventually became the king.

Liveset use the same material as Power Kids, working through the Bible, but take a more 'grown up' approach, discussing and reflecting on the Bible teachings, sometimes using quizzes and the odd silly game!

We have really good material, based on the scriptures with ideas for discussion. Thank you to the author of these.

We have a great team of staff, who give up their time to meet together and prepare. Thank you.

If you would like to be involved in any of these groups please come and have a chat and I can explain the format in more detail.

Matt O'Rourke
