

Isaiah 54:2-3 “Enlarge the place of your tent, stretch your tent curtains wide, do not hold back; lengthen your cords, strengthen your stakes. For you will spread out to the right and the left.”

In the next three years we want to

ENLARGE: We see OCC with our new community facilities built to bless the poor, needy, vulnerable and the lost and to further the Kingdom of God in Redditch. It is a vision where OCC is a place where people find rest and refreshing. It is a place where people matter!

STRETCH: We see OCC as a growing church that has Christian followers devoted to Jesus Christ, that love Him and His Word. It is a vision of all-age growth, with a passion to reach the lost in Redditch.

LENGTHEN: We see OCC as a people with a desire to share the gospel and reach out to our local community. It is a vision where every church member will be involved. We will also partner with Elim International Missions and other such organisations. We see an increase in the number of people on overseas short-term mission.

STRENGTHEN: We see OCC that invests in, and serves our Church community, through our Sunday and midweek services, home groups, and leadership developing programme. It is a vision to train, equip and release people.
